EXPERIENCE

Celebal Technologies

May 2024 – July 2024

ReactJS Developer Internship

- Developed a cutting-edge **Service Desk Application** facilitating the resolution of user issues and requests
- Engineered a robust user **registration** and **login** system, providing personalized access to the service desk platform
- Implemented a streamlined ticket management system, allowing administrators to assign, track, and resolve tickets
- Learned about state management with hooks, lifecycle methods, React Router, form handling, and API integration.

Health Umbrella Foundation

May 2023 – July 2023

Front-end Developer Internship | GitHub | Figma

- Collaborated with a team throughout the Software Development Life Cycle to build a website offering summarized data on effective treatments for 40+ diseases
- Tested, identified, and resolved **30+** bugs with **JIRA**, significantly boosting website stability and performance
- Designed an intuitive UI/UX design with **Figma**, encompassing **10+** pages for a seamless user experience
- Participated in agile development processes and team meetings
- Wrote clean and maintainable code for dynamic Members Information pages utilizing **ReactJS**

PROJECTS

PrepPal | GitHub | Live

React.js, Node.js, Express.js, MongoDB, CSS tailwind, Razorpay gateway

- A full-stack educational platform tailored for **LNMIIT** students, enhancing peer-to-peer learning through content uploads aligned with the university's curriculum
- Secure user authentication using **JWT** and **OTP-based** email verification for robust access management
- CRUD** functionality for instructors, enabling efficient creation, modification, and deletion of courses

NgoWorld | GitHub

Next.js, Tailwind CSS, Prisma, MongoDB, JWT

- Ngoworld is a dynamic platform that connects **NGOs** with supporters, enabling them to raise funds, post events, and engage with a wider audience. Users can explore NGOs across various domains, participate in events, and contribute ideas through a dedicated blog, enhancing community impact and collaboration.
